

Declaration of Conformity
to EEC Directives

Type of equipment: Electromagnetic Flowmeter

Brand Name: Flomid MX

Manufacturer: Tecfluid S.A.
Narcis Monturiol, 33
08960 Sant Just Desvern
(Barcelona)
Spain

Standards to which conformity is declared:

EMC Directive 89/336/EEC

| | |
|------------------|---|
| UNE-EN 61000-6-3 | Emission standard for residential, commercial and light industrial environments |
| UNE-EN 61000-3-2 | Limits for harmonic current emissions |
| UNE-EN 61000-3-3 | Limitation of voltage changes, voltage fluctuations and flickers |
| UNE-EN 61000-6-2 | Immunity for industrial environments |

Electrical safety Directive 73/23/EEC

| | |
|-----------|---|
| EN61010-1 | Safety requirements for electrical equipment for measurement, control and laboratory use. Part 1 : General requirements |
|-----------|---|

I, the undersigned, certify that the apparatus stated above conforms with the protection requirements of the above Council Directives on the approximation of the laws of Member States relating to electromagnetic compatibility and electrical safety.
